

Project Management 2.0

Thursday, September 4, 2008, 11:30AM to 12:15PM [[Add to My Calendar](#)]

Location: [Conservatory](#) (4th Floor)

Moderator: [Zoli Erdos](#) (Zoli's Blog)

Panelists: [Dean Carlson](#) (Viewpath), [Andrew Filev](#) (Wrike), [Bruce Henry](#) (LiquidPlanner), [Mark Mader](#) (Smartsheet.com), [Guy Shani](#) (Clarizen)

Content: When making the transition from desktop products to online services, project management applications are moving beyond simple project planning, to real-time project execution. This panel will investigate how vendors are addressing this challenge, and how users are leveraging these new powerful tools for managing ever more complex projects, across extended networks of contributors.
